

Dear Parent/Guardian,

We are very excited to announce that The Lunch Bag service are bringing their service to our school. The healthy school lunch delivery service are a nationwide company with their newest kitchen just opened in Nenagh, Co. Tipperary. Other facilities in Longford, Clare, Wexford and Bray already produce 40,000 hand crafted lunches fresh every morning. The company are in the top 6% of Q marked companies in the country, with house-hold brands which adhere to the schools healthy eating policy.

The Lunch Bags' mission is to empower children to care for their future-self through educated, healthy food choices. The service allows children the opportunity to sample a wide variety of foods each day without additional cost or waste to the family. The service is also an opportunity to have Covid sterile lunches brought directly to the classroom.

On the 18 March, all children in the school will be bringing home a sample bag. This will contain two sample products available on the menu, with a flyer on how to order. Children are asked to bring this sample lunch home and not to eat it in school.

First lunches will then be delivered **from 22 January**.

Please remember to order before 12noon the day before you want lunch.

As the safety of children is of paramount importance, The Lunch Bag service ensures that any children with allergies will not be exposed to any product containing that allergen, with the kitchen a 100% nut free facility. This information is all available within the brochures, however, if you have any further queries, just call 043 33 62038 or email info@thelunchbag.ie

This is a fantastic opportunity for the school, and we look forward to seeing the benefits to both children and parents alike. Please take a few moments to review the attached brochure and register.
